

Sponsorship Packages Constructing Excellence National Awards 2019

Sponsorship Opportunities

Held every year in Autumn, the Constructing Excellence Awards are a celebration of everything the UK's Built Environment has to be proud of. Over the last ten years the Awards have grown to become one of the highlights of the business year, with over 500 people regularly turning out to witness the best of construction across the UK.

These prestigious awards will be held on Friday 8 November at the London Marriott Grosvenor Square. The awards are designed to showcase and reward achievement for organisations and individuals successfully driving excellence in the industry.

This event is a great opportunity for companies who wish to be seen as proactively leading the way within the Built Environment. Winners are selected across 13 categories including innovation, integration, value and sustainability. The sponsorship packages available are detailed with the benefits which you will receive from supporting the categories or drinks reception.
