Tuesday 30 June - Wednesday 1 July
Park Plaza Westminster Bridge, London

Book your place now for NNB15, the only Nuclear New Build Conference arranged **by the industry for the industry**.

This year's event will showcase the progress made in the sector with sessions focusing on supply chain, access to finance, export and international opportunities. Delegates will be able to **establish links across the industry and take advantage of unrivalled networking opportunities**.

With more than 350 people forecast to attend, it will be the leading conference of 2015. **Registration, sponsorship and exhibition opportunities are now open**; keep an eye out for the **programme**.

Hosted by Steph McGovern
Business Journalist
