

CE OFFSITE FORUM VISIT SCHEDULE | 06.03.18

Visitor Registration

Will permit entry throughout the show and is not day-specific but will need to be completed in advance. We will need you to send over full visitor information so that your registration can be taken care of and your entry badge can be collected on the day.

Group Meeting/Discussion Session

9am on 06 March - in the Explore Offsite Masterclass Theatre before Ecobuild opens at 10am - Ecobuild have agreed that we can gain early access to the venue. This session will be an open-forum discussion to discuss future activity of the Forum and general market intel. We will need to exit the Seminar Theatre by 10am in order for set-up to take place for the main sessions starting at 10:30am. We will arrange some coffee and pastries for this session and these will be complementary of Radar/Ecobuild.

Explore Offsite Masterclass Sessions

We will arrange reserved seating in these sessions for the group and it would be good to know who or how many would like to go to each session, although this is not critical. Full details of the speakers in sessions on this date can be found online – scroll down on this link- www.ecobuild.co.uk/offsite-district - main sessions are: **Housing, Volumetric Modular technology and Digital Construction.**

Exhibition Viewing

Forum members will be permitted to view the exhibition and to arrange other meetings during the day.

The Offsite Construction Awards

Starting at 5pm and running until 8pm - Forum members will be guests of Radar (instead of paying £75.00 each per ticket) and will need to collect another badge at 5pm within the show (from the Explore Offsite Masterclass Seminar Theatre) to permit entry in to the Offsite Construction Awards. **NOTE:** only those pre-registered will be permitted entry.

Full details of the Awards can be found here – www.offsiteawards.co.uk – if you wish to circulate details in advance. Please advise if you would like to be registered to attend the Offsite Construction Awards.

Offsite - other points of interest:

Offsite Magazine stand will be giving away the latest copies FOC. The Ask the Expert surgeries will be hosted by Cogent/Cast and HTA Design where their leading consultants will be happy to advise on your offsite activity. The MPBA will have a Pavilion – as will the Structural Timber Association and British Precast Federation.

NOTE: There will also be an Offsite Buyers Forum which CE Forum members are welcome to register for as long as you are Buyers not Vendors of offsite technology – so this might be of interest for the Contractors and Specifiers in your group – www.offsitebuyersforum.co.uk – you can register online and can attend as many/few meetings as you wish.
