# About the Event

Building on over a decade of success, we are proud to announce the 13th Annual G4C Yorkshire & Humber Awards. As the industry's premier celebration of young talent, these awards recognise the rising stars and the visionary companies dedicated to mentoring the next generation of construction leaders.

On Friday 25th September 2026, the industry will gather at the Queens Hotel in Leeds, to showcase the individuals and organisations successfully driving the Built Environment forward. Under our 2026 theme, 'The Catalyst', we recognise that progress requires a spark. This evening is dedicated to those who act as that spark, igniting innovation and excellence across Yorkshire and Humber.

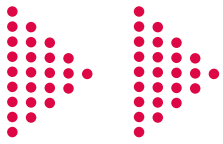

# Why Attend

Following our record-breaking 2025 ceremony, where we smashed expectations with over 250 attendees, the 2026 awards are set to be our most impactful yet. The event offers a unique opportunity to:

- Celebrate outstanding young professionals and industry excellence
- Network with peers from the construction, built environment and manufacturing sectors
- Strengthen connections within the G4C Yorkshire & Humber community
- Enjoy a welcome drink and a three-course dinner in a prestigious setting

Whether you're attending as a nominee, supporting a colleague or joining to engage with the next generation of talent, the G4C Yorkshire and Humber Awards provide an evening of inspiration, recognition and connection.
